

### Admission

### Student Appointments (Fall 2007)

Student appointments are assigned to the category that provides more than 50% of the stipend. Int(ernal) appointments are funded by the Graduate School or other University sources, and Ext(ernal) appointments are funded by outside fellowship or research grants. Appointments may not total 100%

### Faculty to Student Ratio and Student Completion

<b>Graduate Students per Faculty Member*</b> (Average of 2005 thru 2007):	1.5
<b>Median Time to Degree</b> (Cohort average 1996-2000):	8
<b>% Entering Students that Complete</b> (Cohort average 1996-2000):	100%

\*Number of faculty members is based on FTE (Faculty Teaching Equivalent) provided by the Office of the Dean of the Faculty
