

Admission

Student Appointments (Fall 2007)

Student appointments are assigned to the category that provides more than 50% of the stipend. Int(ernal) appointments are funded by the Graduate School or other University sources, and Ext(ernal) appointments are funded by outside fellowship or research grants. Appointments may not total 100%

Faculty to Student Ratio and Student Completion

| | |
|---|-----|
| Graduate Students per Faculty Member* (Average of 2005 thru 2007): | 2.2 |
| Median Time to Degree (Cohort average 1996-2000): | 5.9 |
| % Entering Students that Complete (Cohort average 1996-2000): | 61% |

*Number of faculty members is based on FTE (Faculty Teaching Equivalent) provided by the Office of the Dean of the Faculty
