

Admission

Student Appointments (Fall 2007)

Student appointments are assigned to the category that provides more than 50% of the stipend. Int(ernal) appointments are funded by the Graduate School or other University sources, and Ext(ernal) appointments are funded by outside fellowship or research grants. Appointments may not total 100%

Faculty to Student Ratio and Student Completion

Graduate Students per Faculty Member* (Average of 2005 thru 2007):	1.6
Median Time to Degree (Cohort average 1993-1996):	7.1
% Entering Students that Complete (Cohort average 1993-1996):	67%

*Number of faculty members is based on FTE (Faculty Teaching Equivalent) provided by the Office of the Dean of the Faculty
